Links

The internet has revolutionised the lives of historians. So much is now available online, with more being added all the time.

This useful site that includes Australian material: <http://anglicanhistory.org/>

<http://anglicansonline.org/resources/history.html#australia> has lots of resources.

Christian Classics Ethereal Library www.ccel.org Is a wonderful resource for church history source documents. Nothing on Australia though, because it concentrates on the early years.

www.historyonthenet.com offers timelines, essays and diagrams.
